Four different versions of Andrew Ewald's PhD thesis are available.

1. 'Ewald_Thesis_hires.pdf' is the full resolution file that was used to print the archival copies of the thesis.
2. Each of the individual chapters and appendices are available at full resolution and are of archival quality.
3. 'Ewald_Thesis_medres.pdf' is a lower, but still high resolution version of the entire thesis. It was generated by printing at Adobe Acrobat 5.0 preset 'Print' settings. It should print at high quality.
4. 'Ewald_Thesis_lowres.pdf' is a lower quality version of the entire thesis, suitable for viewing on screen or lower quality printouts. It was generated by printing at Adobe Acrobat 5.0 preset 'Ebook' settings. It should print at acceptable quality.
