

Behnam Analui received the B.S. and M.S. degrees in electronics engineering from the Sharif University of Technology (SUT), Tehran, Iran, in 1998 and 2000, respectively. He received the Ph.D. degree in electrical engineering from the California Institute of Technology (Caltech), Pasadena, CA, in 2005. His research interest is high-speed integrated circuit design for wireline communications.

During the summer of 2003, he was with the Mixed-Signal Communications IC design group at the IBM T. J. Watson Research Center, Yorktown Heights, NY. He joined Luxtera Inc., Carlsbad, CA, in August 2005.

Mr. Analui received Caltech's Atwood fellowship in 2000 and Analog Devices Outstanding Student Designer Award in 2002. He was the silver medal winner of the National Mathematics Olympiad in 1994 and the SUT Presidential honorary award as the chair of technical program committee in international millennium seminar on electrical engineering in 2000.
